Notes:

Sermon Notes are REQUIRED each week. Please use the Sermon Notes document provided by Pastor and available on the church website.

Please have the chapter of your Yellow Workbook READ, along with your Bible/Catechism assignment for the week it's assigned. Example: If you are assigned Unit 4, Lesson 17 on March 17th, along with Books 51-66 of the Bible AND the Q&A, First Chief Part read, come prepared to discuss these things on that date.

You will need to be able to orally recite or write the books of the Bible that are assigned each week. You will also be expected to recite or write assigned portions of the Catechism each week. Come prepared.
