

SERMON NOTES

Every Confirmation Student is REQUIRED to take Sermon Notes. Students may sit near the front of the church, in a group, and assist each other, or they may sit with their parents. Leave the sermon notes in the mailbox marked Pastor after the service.

If a student attends a different church on a Sunday at which he/she would like to take Sermon Notes, the PASTOR of that church MUST sign off (bottom of page) and include both date and church name.

When completed, leave your sermon notes in the mailbox marked "Pastor" (top right mailbox).
